# Principal's Message

Rev. Dr. P.M. Lawrence MSFS

"Change is inevitable, growth is optional." - John C Maxwell

Contemplating my student days and job as the Principal of schools in various places, I find no parallel between then and now frenetically transformed teacher-student relationship. It upsets me when I sometimes experience teachers complaining about students. Moreover, today's students rarely hesitate to speak ill of their teachers.

In the good old days, teaching was a much-respected profession and a word from the mouth of teachers was a law by itself. In schools, corporal punishment was usual and the offending students were even criticized by their teachers. Parents never complained, but rather scolded their children for wrongs committed by them in school. With due respect to everyone, I will pen down two of my school time happenings (amongst many) that would perhaps appear strange and very unusual in today's scenario.

Our school Principal, a strict disciplinarian, never tolerated latecomers and the punishment was to do frog jumping or running across the playground. Today I feel that despite being an excellent teacher and administrator and with all his good intentions, his strict measures might have caused physical and emotional discomfort. Yet I cannot deny the fact that his measures had instilled the value of punctuality in most of my classmates and made us physically and emotionally stronger in the long run.

I also remember my chemistry teacher who used to make us write impositions whenever we couldn't answer his questions correctly. I remember that I had to write the chemical formula of sulphuric acid 200 times since I couldn't answer his question that day. I as a student felt that the punishment was ruthless and meaningless at that moment. But I had to follow the instructions because as I have mentioned earlier it was a law that couldn't be ignored. Today, to my surprise, I realize the fact that I don't remember any other chemical formula except  $H_2SO_4$ .

The teachers in those days used to scold and punish out of respect for their total commitment to students' welfare. The then students never grudged or so to say never dared to grudge this attitude of the teachers. But it's highly implausible that such behaviour of teachers with all good intentions would ever be acceptable to the present generation.

On the other hand, I am also aware and I do strongly agree that there has been a tremendous change in the teacher-student relationship for the welfare of the student community. In the past, society has witnessed several instances of severe corporal punishments that created havoc in students' lives by restricting the further growth of young individuals. Secondly, the one-way communication while teaching in the earlier days never encouraged the creative side of the students but rather forced them into rote learning instead of real learning. The freedom of expression enjoyed by the students of today is definitely in the process of creating more mature and individualistic citizens of tomorrow. There are also many examples of the physical and emotional breakdown of students due to harsh punishments and humiliating comments. The present-day restrictions do rightly take care of the rights of children.

Yet, I am profoundly confused today if the drastic change in the teacher-student relationship will provide us with a better future generation or if there's a genuine need for parents and teachers to think about it

more deeply and understand if there's a need of bridging the gap by following a middle path instead of both the extremes; if by doing so, we can make our citizens of tomorrow physically and emotionally stronger so that they are capable of facing the real life beyond schools and colleges and can fight out their failures successfully. If the change has brought some good, has it also not become associated with some demerits?

"Great teachers empathize with kids, respect them, and believe that each one has something special that can be built upon." - Ann Lieberman

Education is a cultural activity guided by moral forces to create human beings. Here, teachers are the moral forces. From A, B, and C to Alpha, Beta, and Gamma all are taught to us by our Gurus (Teachers). In Indian Culture, the teacher is considered next to God, but I feel a student knows his teacher before he knows God. St. Kabir says, "Teacher is even greater than God. If it hadn't been for the teacher, I'd never be able to see God." Yes, a student knows God through his teacher. The great saints, prophets, and avatars were all great teachers. Be it, Buddha, Jesus or Mohammed Nabi, they all taught and preached good values that have become principles of our lives. Teachers were known by different names at different ages. Guru to Madam. Whatever names they are known by, teachers take the place of mothers.

Teachers have now moved from guru kula to digital education. The difference now is that the students are digital citizens and the teachers, are digital immigrants. We live in a world where students depend completely on Google. They think everything is available there. But when a student finds a location through the web, he can only find the place. A teacher can explain all the aspects of that place. Google cannot love children. A real teacher is one who loves the children and the one who teaches the child by being with them. A teacher's teaching is always like the light at the end of the tunnel. In times of fear, confusion, and uncertainty, a teacher always becomes the guide and protector of students' lives, walking with them through important moments, and every little victory and taking them to the ultimate destination for their success. Only teachers can touch students' hearts and brains. Each student needs a teacher who can help realize his/her capability. If you are a teacher, but you feel that the student, who sits before you, does not belong to you, you should leave teaching. A good teacher sees the potential in you and tries to refine it and make you shine like a bright star. It is not easy to be a good teacher. Every one of us has our own set of good and favourite teachers. What makes them so special to you is not just their teachings but their qualities and their uniqueness that capture your heart.

She came  
And touched my heart silently;  
Filled with fragrance,  
That would bloom with the music of words,  
And she left.

With a smile, she left me  
A piece of colour chalk;  
And I drew with it  
Endless colours; Endless stories.

Many heights have I ascended  
Would she come again I wonder  
To my side as a caring mom,  
As a soft shower to soothe my aching minds?

"Education of the heart" - Fr. Peter Mermier

# Teacher's Day

Teacher's Day is celebrated on September 5 in India every year to mark the birth anniversary of Dr Sarvepalli Radhakrishnan who was a great philosopher and politician and to acknowledge the marvellous contribution of our teachers to the society.

SFS Academy celebrated Teachers' Day on Monday, September 5, 2022. A delightful treat was organised and put up by the students of our school to show their love and gratitude towards the teachers under the leadership of Rev. Dr. P M Lawrence, the Principal of SFS Academy, Head Boy and Head Girl. The programme commenced at 9 AM with all students gathered on the basketball ground. As a sign of reverence and honour, the teachers were escorted by the Head Boy and Head Girl along with the NCC to their respective seats.

The event commenced with the prayer song sung by the school choir followed by the lighting of the lamp by the principal along with the academic coordinators and the staff secretaries. Following this, an elegant semi-classical dance was performed by the students to portray the struggles and challenges of our teachers from dawn to dusk with their graceful movements.

A fun-packed skit performance enacting the 'reality of online classes during the Covid pandemic' was then put up by the budding actors of SFS Academy, which brought a smile to everyone's face. Further, a captivating dance performance by the 10th graders, a melodious song by the kindergarten students, an upbeat concert, a hilarious stand-up comedy, and an enchanting high school dance filled the atmosphere by adding colours to the event and making it a blissful one.

On this joyful occasion, our principal narrated a beautiful and inspiring story emphasising the value of teachers in our lives, and further wished all the teachers a very happy teachers' day.

As a token of love and gratitude to our dear teachers, a small gift was given by the school leaders on behalf of all the students. The program ended with a vote of thanks and the national anthem.

# Hindi Diwas

14 सितंबर 2022 को एस.एफ. अकादमी में हिंदी दिवस के अवसर पर विशेष आयोजन किया गया। हिंदी दिवस हर वर्ष 14 सितंबर को मनाया जाता है। हिंदी दिवस, हम हिंदी भाषा के प्रति जागरूकता फैलाने के लिए मनाते हैं। हिंदी भाषा में बहुत सारे साहित्यकारों ने अतुलनीय काम किया है जिन्हें इस दिवस के शुभ अवसर पर विभिन्न कार्यक्रमों को आयोजित कर सम्मान दिया जाता है। इसे हम एक पर्व की भाँति मनाते हैं।

इस विशेष कार्यक्रम की शुरुआत हमने प्रार्थना गीत से की। फिर राष्ट्रीय प्रतिज्ञा ली गई जो की भारत गणराज्य के प्रति निष्ठा का शपथ है। सुविचार बोली गई देश-विदेश के खबरों से सभी को अवगत करानेके लिए समाचार पढ़ा गया। गीत गाकर, कल की बातों को भुलाकर सभी को आगे बढ़ने की प्रेरणा दी गई। बच्चों में नैतिक मूल्य बढ़ाने के लिए सभा में नैतिक संदेश दिया गया। हिंदी दिवस के महत्व पर भाषण दिया गया। हास्य नाटक प्रस्तुत की गई एवं राष्ट्रगान गाकर सभा का समापन किया गया।

जय हिंदं जय भारत!

# Mid-Term Examinations

"There are no secrets to success. It is the result of preparation, hard work, and learning from failure." - Colin Powell

Exams have an essential role to play in the learning process. They can be a great way to assess what students have learned with regard to specific subjects. Mid-term examinations for grades IX and X and half-yearly examinations for grades I to VIII were conducted from September 19, 2022, to September 27, 2022, for the purpose of assessing the understanding of our students with regard to various academic contents.

The examination committee was responsible for the smooth conduct of the examinations under the leadership of Mrs. Geethanjali. Question papers of high standards were prepared and kept ready in advance and sufficient revisions were provided to the students in order to get them ready to face the examinations confidently.

The students attended the examination with truthfulness and gave their best efforts to excel with the support of the hardworking teaching faculty of the school. As once quoted by Nelson Mandela, "Education is the most powerful weapon which you can use to change the world," the key to a successful gain of knowledge is to timely test the knowledge acquired.

# Felicitations

"I fear not the man who has practised 10,000 kicks once, but I fear the man who has practised one kick 10,000 times." - Bruce Lee

We, at SFS Academy, believe that while academics are important, it is the co-curricular activities (CCAs) that teach lessons that transcend beyond the classrooms. Taekwondo is offered to the students as a part of their CCA's. It helps the students to be active, and learn an effective form of self-defence.

In August 2022, our students from grade VII, Miss. Navya Singh, Master Akshan Mukesh Nakade and Master Sajay participated in the 17th South and West Zonal Taekwon-do Championship 2022 and Miss. Navya Singh bagged a bronze medal.

Congratulations and best wishes!

# Fire Safety Training

To educate and train for an unpredictable emergency like a fire, SFS Academy organised a fire safety training session for the teaching and non-teaching staff on September 3, 2022. It was led by Mr. Ramamoorthy, a retired fire safety officer. He briefly explained the different kinds of fire and their causes. He then emphasized the various types of fire extinguishers and gave the staff some safety tips to follow during emergencies. After the theoretical aspects were discussed, the facilitator went ahead with demonstrations. He showed us how to use the different equipment installed on the premises, like the fire extinguishers and the hose reel, etc. All the staff had a great learning experience about fire safety and the measures to be taken in time of emergency.

## Festivals

India is a land of festivals.

People of India celebrate lots of festivals every year and the topmost of them is Diwali.

Diwali is the Festival of Lights.

Diwali is the celebration of Lord Ram's return to Ayodhya after 14 years of exile.

It symbolizes the victory of the inner light over the spiritual darkness.

People of India light candles and decorate their homes with Rangoli.

For every Diwali, People wear new clothes and share gifts and sweets with neighbours and friends.

There is no Diwali without crackers and there is no age limit.

Kids with their whole family celebrate Diwali by bursting lots of Crackers!

Diwali is an emotion with lots of Joy and Happiness.

Happy Diwali 🥰

India is a country with various festivals.

All festivals in India have their own special significance.

We respect all festivals in India.

Every year India celebrates hundreds of festivals.

Here people all celebrate festivals together.

Some of the main religious festivals that are celebrated in India are Diwali, Dussehra, Onam and

Christmas.

**- Rehansh, II A**

India is a land of diverse cultures. Many festivals are celebrated in India. Festivals are of two types, national and regional. National festivals include Gandhi Jayanthi, Republic Day, Independence Day. Apart from these, there are many regional festivals like Diwali-the festival of lights, Dussehra-the victory of good over evil, Onam and Sankranti which are harvest festivals, Eid, Christmas, etc.

Celebrating festivals with family and friends brings happiness and joy. Children love festivals as they eat sweets, burst crackers, wear new clothes and get a day off from school. Festivals teach us to live and celebrate together.

**- Arjun, II A**

In India, we celebrate different types of festivals. Each festival has its significance, but the best thing about festivals is that they bring people together. Festivals are categorised as national, religious and seasonal festivals. National festivals are Independence Day, Gandhi Jayanti etc. Religious festivals are celebrated by people following different faiths. Hindus celebrate Diwali, and Muslims celebrate Eid. Seasonal festivals are celebrated to mark the onset of different seasons like Teej in monsoon etc.

Festivals are the most happening time in the country. People go out with family and friends. Festivals are a way to thank the almighty for everything he has given to us.

**- Aadya Banerjee, II D**

Some major festivals in India are Pongal, Dasara, Diwali, Holi, Christmas, Eid etc. The festivals can be national or religious. Some of the national festivals are Independence Day, Gandhi Jayanthi, Republic Day etc. The national festivals are celebrated for the nation which sees no caste or religion.

Festivals are the best way to provide relaxation and enjoyment in between our busy lives. Holidays are provided on those occasions. People usually wear new clothes and decorate their houses. People greet and wish each other. Festivals convey the feeling of togetherness among the people of the nation.

**- Kavin Nila, II D**

In India, there are so many festivals such as Dasara, Diwali, Christmas and many more. We all enjoy it and have fun. At all Indian festivals, there will be holidays in our school. Everyone has their religion such as Hindu, Muslim, Christian etc. They all have their own festivals to have fun. Festivals are the only thing that we can enjoy.

**- Jayden Jubin Varghese, I D**

My favourite festival is Diwali because it is the festival of lights and we can have so much fun bursting firecrackers. On that day we pray to the goddess Lakshmi and Lord Ganesh. We put diyas inside and outside our house. We give sweets to everyone and say Happy Diwali to everyone. We wear a new dress on Diwali. We celebrate Diwali because Lord Rama returned from his exile of fourteen years on the day of Diwali. This festival comes in the month of October or November every year.

मेरा भारत बहुत प्यारा है। यहाँ हर धर्म के लोग रहते हैं। हर त्योहार बड़ी धूम-धाम से मनाए जाते हैं। त्योहार जैसे कि दिवाली, होली, ओणम, क्रिसमस, नवरात्रि आदि। मुझे त्योहारों में दिवाली बहुत अच्छी लगती है। हम पटाखे फोड़ते हैं, नए कपड़े पहनते हैं और मिठाई भी खाते हैं।

- Bhuvika Kaur, II C

ईद एक पवित्र उत्सव है। इस त्योहार में मुसलमान एक साथ आते हैं और दान, दया और भाईचारे के वादे के साथ एक-दूसरे को गले लगाते हैं। यह त्योहार खुश होने का नहीं बल्कि दूसरों को खुश करने का पर्व है। दुनिया भर से इस्लाम समुदाय अपने पास मौजूद हर चीज के लिए अल्लाह के प्रति कृतज्ञता दिखा कर उनका शुक्रिया अदा करते हैं।

- Uman Khan, I D

दुर्गा पूजा एक धार्मिक त्योहार है। यह हिन्दुओं के मुख्य त्योहारों में एक है। यह उत्सव 10 दिनों तक चलता है। यह त्योहार देवी दुर्गा के सम्मान में मनाया जाता है। दुर्गा को हिमाचल और मेनका की पुत्री माना जाता है। यह त्योहार अश्विन माह के शुक्ल पक्ष में मनाया जाता है। दुर्गा पूजा बुराई पर अच्छाई की जीत के लिए मनाया जाता है। पूजा के अंतिम दिन मूर्तियों का विसर्जन किया जाता है।

- Srishti, II C

दिवाली भारत का सबसे लोकप्रिय त्योहार है। दिवाली को दीपावली भी कहा जाता है। यह त्योहार हर साल अक्टूबर या नवंबर महीने में मनाया जाता है। इस दिन भगवान श्री राम चौदह वर्ष का वनवास पूरा करने के बाद अयोध्या वापस लौटे थे। इसी खुशी में अयोध्या वासी ने अपने नगर को हजारों दीपों से सजाया था। दिवाली के दिन हर घर दियो से सजाया जाता है। इस दिन बच्चे पटाखों का आनंद लेते हैं। यह त्योहार सबको खुशियाँ देने वाला त्योहार है।

भारत देश में मुख्यतः तीन राष्ट्रीय पर्व मनाए जाते हैं।

1. गणतन्त्र दिवस - गणतन्त्र दिवस प्रति वर्ष 26 जनवरी को मनाया जाने वाला राष्ट्रीय पर्व है। इसी दिन हमारे देश का संविधान लागू हुआ था।
2. स्वतन्त्रता दिवस - स्वतन्त्रता दिवस प्रति वर्ष 15 अगस्त को मनाया जाता है। इस दिन हमारा भारत आज़ाद हुआ था।
3. गाँधी जयंती - 2 अक्टूबर को राष्ट्रपति महात्मा गाँधी का जन्म हुआ था जिसे हम गाँधी जयंती के रूप में मनाया जाता है।

- Gladys Isaac, II C

क्रिसमस इसाइयों का सबसे बड़ा और मुख्य त्योहार है। यह त्योहार ईसा मसीह के जन्म की खुशी में मनाया जाता है। 25 दिसंबर को दुनिया भर में मनाया जाने वाला यह पर्व बड़ी धूम-धाम से मनाया जाता है। इस दिन लोग अपने दोस्तों और रिश्तेदारों को उपहार बांटते हैं। रंग-बिरंगी लाइटों, तारों व खिलौनों से घर को और क्रिसमस ट्री को भी सजाते हैं। मेरी क्रिसमस कह कर सब को शुभकामनाएं देते हैं। लोग नए कपड़े पहनते हैं। गिटिजाघरों में मोमबतियों को जलाकर विशेष प्रार्थनाएँ की जाती हैं। सभी क्रिसमस कैरोल गाते हैं।

## Teachers

A teacher takes a child from earth to sky, he enables a child to stand on his or her feet. If there had not been teachers there would have not been any doctors, engineers, scientists, etc. A teacher is not a king but a teacher can make a king. Even a king is a product of a teacher's hard work. A teacher is the best guide for a student. A teacher is a person with commendable skills for helping others to learn, guide and to solve problems. Teachers are also often compared to the builders who built the blocks of society. They are the one who helps us to lay a firm foundation of knowledge and wisdom.

- A . Sahasra, VII C

Guru Namaha is also known as Guru Purnima. It reminds the role of the teacher in a student's life on the eve of Guru Purnima. The students pay gratitude towards the gurus. The Guru festival is celebrated by Buddhists too. They remain the first sermon of Lord Buddha which he reached in Sarnath, Varanasi Guru Purnima is observed at the beginning of chaturmasya. Guru Purnima is celebrated as Teacher's Day in Nepal. One thing about teachers for us is they taught us to handle the tool called technology.

- Anthony Andrea, VII C

In India, teachers are respected by their students giving due importance to the report of an efficient educationalist. Dr. DS Kothari says that the destiny of India is shaped by the classroom. The shape is given to the coming generation by eminent teachers. Teachers are always respected by the students in their minds.

Teachers have an ocean of abundant knowledge. They are responsible for the character formation of the next generation. As our former Prime Minister said "So in that sense teachers are forming the future of India", hence it is our responsibility to respect all our teachers. It is mentioned in the 'Thaittiriya Upanishad' 'Aacharya Devo Bhava' which means we should respect our teachers as God.

We celebrate September 5 as Teacher's Day to respect and admire our teachers. It is the birthday of our former president and a veteran teacher – Dr. S Radhakrishnan. He was an eminent teacher for almost two decades. So, let's continue our good virtues by respecting and obeying our elders and teachers and fulfilling the meaning of "Guruve Namah".

ಶಿಕ್ಷಕರೆಂದರೆ ಪಾಠ ಭೋದಿಸುವವರು ಮಾತ್ರವಲ್ಲ. ಸನ್ಮಾರ್ಗದಲ್ಲಿ ನಡೆಯುವಂತೆ ದಾರಿ ತೋರುವ ಮಾರ್ಗದರ್ಶಕರು. ಪಾಠದ ಜೊತೆಗೆ ಜೀವನದ ಮೌಲ್ಯಗಳನ್ನು ತುಂಬುವ ಗುರುಗಳು, ವಿದ್ಯಾರ್ಥಿಗಳ ಮೇಲೆ ಪ್ರಭಾವ ಬೀರುತ್ತಾರೆ. ಇದೇ ಕಾರಣಕ್ಕೆ ನಮ್ಮ ಸಂಸ್ಕೃತಿಯಲ್ಲಿ ಶಿಕ್ಷಕರಿಗೆ ಮಹತ್ವದ ಸ್ಥಾನ ಕಲ್ಪಿಸಿದ್ದಾರೆ. “ಕಲ್ಪನ್ನು ಶಿಲೆಯಾಗಿಸುವ ಶಕ್ತಿಯಿರುವುದು ಗುರುಗಳಿಗೆ ಮಾತ್ರ. ನಮ್ಮಲ್ಲಿ ಸಾಧಿಸುವ ಫಲ ತುಂಬುವ ಶಕ್ತಿಯಿರುವುದು ಗುರುಗಳಿಗೆ ಮಾತ್ರ”. ವೇದ ಪುರಾಣಗಳ ಕಾಲದಿಂದಲೂ ನಾವು ಗುರುಗಳನ್ನು ಪೂಜ್ಯ ಭಾವನೆಯಿಂದ ಕಾಣುವ ಪ್ರವೃತ್ತಿಯನ್ನು ಬೆಳೆಸಿಕೊಂಡಿದ್ದೇವೆ. ವಿದ್ಯಾರ್ಥಿಗಳಲ್ಲಿರುವ ಸುಪ್ತ ಪ್ರತಿಭೆಯನ್ನು ಹೊರತಂದು ಅದಕ್ಕೆ ವೇದಿಕೆ ಕಲ್ಪಿಸುವ ಮಹತ್ತರ ಜವಬ್ದಾರಿ ಗುರುವಿಗಿದೆ. ಇದೆಲ್ಲ ಅಲ್ಲದೆ ಗುರುವಿಗೆ ಒಬ್ಬ ಶಿಷ್ಯನನ್ನು ಸಮಾಜಕ್ಕೆ ಜವಬ್ದಾರಿಯುತ ಪ್ರಜೆಯನ್ನಾಗಿಸುವ ಕರ್ತವ್ಯ ಕೂಡ ಇದೆ. ಇದರಿಂದ ನಮ್ಮ ಪೂರ್ವಜರು “ತಸ್ಮಯೇ ಶ್ರೀ ಗುರುವೇ ನಮಃ” ಎಂದು ಮಕ್ಕಳಿಗೆ ಚಿಕ್ಕದಿನಿಂದಲೇ ಹೇಳಿ ಕಲಿಸುತ್ತಿದ್ದರು.

ಗುರುಗಳು ಶಿಷ್ಯರನ್ನು ತಾಯಂತೆ ಕೈಹಿಡಿದು ಮಮತೆಯಿಂದ ಪ್ರೀತಿಯಿಂದ ತಮ್ಮೆಲ್ಲಾ ಶಕ್ತಿಯೊಂದಿಗೆ ಶಿಷ್ಯನನ್ನು ಗಮನಿಸಿ ಅವರ ಉದ್ಧಾರಕ್ಕಾಗಿಯೇ ಶ್ರಮಿಸುತ್ತಿರುತ್ತಾರೆ. ಪ್ರತಿ ಕ್ಷಣ ಪ್ರತಿ ಸಮಯ ಅವನ ಬಗ್ಗೆ ಅಂದರೆ ಶಿಷ್ಯನ ಬಗ್ಗೆ ವಿಚಾರವನ್ನು ಮಾಡಿ ಅವನನ್ನು ಉದ್ಧಾರ ಮಾಡುತ್ತಾರೆ. ಗುರುಗಳ ಮಾರ್ಗದರ್ಶನದಲ್ಲಿ ನಡೆದು ಭವ ಸಾಗರದಂತೆ ಇರುವ ನಮ್ಮ ಜೀವನ ನೌಕೆಯನ್ನು ಗುರುಗಳೇ ನಡೆಸಬಲ್ಲದು.

## Animal Day

SFS Academy Kindergarten celebrated Animal Day on September 2, 2022. A special assembly was conducted to sensitise children about animals and how they help us and also to create awareness about animal welfare and protection. As a part of the celebration, students dressed in red, brown and orange colour dresses and different activities were conducted by the teachers. Teachers wore animal masks and played different animal sounds and asked the students to identify them. Students also spoke about the importance of animals. Grade-wise activities were also conducted.

Pre-KG: Students were given animal masks and a video on animal sounds was played in the classroom.

LKG and UKG: Students were given animal masks and they were asked to speak a few sentences about their favourite animal. A video on animal sounds was played in their classrooms.

"Your dreams are what define your individuality. They have the power to give you wings and make you fly high." - PV Sindhu

With great zeal for commemorating the sportsmanship among our desalites, ESPERANTO 2022-23, the Annual Sports Meet was organised on September 30, 2022. Esperanto began with a formal inaugural programme at 9.00 AM. The Chief Guest of the day, Dr. H D Krishnappa, Ph.D., Chief Coach of Volleyball and I/C Teams from the Sports Authority of India was welcomed by the school band in a procession. Then the students of SFS Academy invoked the blessing of the Almighty through a beautiful prayer dance. Soon after, the chief guest, the principal, the academic coordinators, staff secretaries, teaching and non-teaching staff, students and parents were welcomed formally. The inaugural lamp was lit by the chief guest of the day, the principal, academic coordinators and the sports secretaries. Dr. Krishnappa unfurled the sports flag of SFS Academy and also received a general salute from the school band followed by the house-wise march past. Our principal led the solemn oath-taking ceremony with the sports secretaries along with the faculty of Physical Education. The chief guest addressed the gathering and encouraged everyone to participate actively with live examples from our Indian sports person's achievements. The sports torch was brought to the stage by the sports secretaries and the house captains and was presented to the chief guest. The most awaited moment of the day arrived when the chief guest declared ESPERANTO 2022-23 open and this was marked by the release of helium balloons by the house captains in their house colours. Our principal felicitated the chief guest with a memento and a shawl. In order to add colour to the annual sports meet the budding dancers performed a beautiful dance. The inauguration ceremony of the sports meet ended with the school anthem and a vote of thanks.

After the inauguration ceremony, Dr Krishnappa gave the command and the very first sports activity of the day – 200 meters race for the boys and girls began. This was followed by the rest of the sports events. The winners of each event were honoured with a certificate and a medal. The sports day was fun-filled and inherited true sportsmanship among the students. At last, the day came to an end with the prize distribution ceremony. The individual championship was won by the following students.

Senior:

- 1.Suhas Krishna (Nifty Knights - Green House)
- 2.Sudhiksha G (Legendary Spartans - Red House)
- 3.Navami Anand (Invincible Samurais - Blue House)

Junior:

- 1.Mohammad Arhab (Invincible Samurais - Blue House)
- 2.Naavya Singh (Legendary Spartans - Red House)

Next, it was time for the announcement of the overall champion. The overall championship was bagged by Invincible Samurais (Blue House) and the runner-up was bagged by Nifty Knights (Green House). ESPERANTO 2022-23 ended with the individual champions folding and handing over the house flags to the principal, after which ESPERANTO 2022-23 was declared closed.

"I have always thought that things would be better once I leave school, but it certainly never did because school life was the best. No matter how much we think we hate school, we will always miss it when we leave".

SFS Academy gave the parents an opportunity to come back to school and re-live and cherish their school days, where they would run, play, and jump by organising Fuerza- the parent's sports meet on October 15 and 16, 2022. The sports meet began with the march past of the four different houses Red, Blue, Green and Yellow. All the participants marched with great energy and discipline as they recalled their school days. Our energetic principal, Rev. Dr. P M Lawrence, the chief guest, Rev. Fr. Vinod Kanatt, the Finance Administrator of SFS Group of Institutions, and the academic coordinators inaugurated the meet by lighting the sports torch.

During the events, we were like kids once again and forgot about our worries, work, or any other stress. It was pure happiness which was also the charm of school days. Fuerza not only gave us the chance to get active again but also allowed us to show our talents in volleyball, basketball, football, throwball, kho-kho, 100m race, 200m race, relay race and shot put. We enjoyed fun games too like lemon and spoon race, sack race, treasure hunt, balloon burst, dodge ball and some couple games which had taken a back seat due to office work and other responsibilities. It was like a breath of fresh air after the pandemic. We interacted with other parents and competed with each other in a healthy and fun way. The rain interrupted the events but it made us happily sing the rhyme "rain rain go away" along with Principal. The rain made us more enthusiastic and we even danced in the rain where Principal P M Lawrence played the role of DJ which was the icing on the cake.

Our energy was boosted by the tasty food and beverages provided at the food stall. Thank you for allowing us to become role models to our kids in sports which is as important as academics. I am sure by watching parents' participation in sports, the kids will be motivated too. I would also like to thank the teaching and non-teaching staff for arranging it so well and for their co-operation and support. The effort put in by the PE teachers, house animators, and coordinators of Fuerza was commendable. Congratulating all the parents for participating and making it a grand event. I hope SFS Academy continues with this initiative in the future and gives us the chance to inspire kids and motivate ourselves in the future.

Thanks to SFS Academy and Principal P M Lawrence we will not be missing our school days much, in fact, will be revisiting the memories again and again.

## **Who was Dr. Sarvepalli Radhakrishnan?**

As an academic, philosopher, and statesman, Sarvepalli Radhakrishnan (1888-1975) was one of the most recognized and influential Indian thinkers in academic circles in the 20th century. Throughout his life and extensive writing career, Radhakrishnan sought to define, defend, and promulgate his religion, a religion he variously identified as Hinduism, Vedanta, and the religion of the Spirit. He sought to demonstrate that his Hinduism was both philosophically coherent and ethically viable. Radhakrishnan's concern for experience and his extensive knowledge of the Western philosophical and literary traditions has earned him the reputation of being a bridge-builder between India and the West. He often appears to feel at home in the Indian as well as the Western philosophical contexts, and draws from both Western and Indian sources throughout his writing. Because of this, Radhakrishnan has been held up in academic circles as a representative of Hinduism to the West. His lengthy writing career and his many published works have been influential in shaping the West's understanding of Hinduism, India, and the East.

## **Why is Teacher's Day celebrated on September 5 every year?**

Since the year 1962, Teacher's Day is celebrated in India on September 5 every year in honour of Dr. Sarvepalli Radhakrishnan, who was an Indian philosopher, political leader, and the second President of Independent India (between 1962 to 1967). Dr. Sarvepalli Radhakrishnan was born on September 5, 1888. He deeply believed that "teachers should be the best minds in the country". And so every year, since 1962, in honour of Dr. Sarvepalli Radhakrishnan's birthday and his philosophies September 5 is celebrated as Teachers' Day. Each year he is remembered on this day for his immense contributions to building our nation.
