"If we are not free, no one will respect us."

– Dr. A. P. J. Abdul Kalam

India celebrated its 77th Independence Day, marking 76 years of freedom. Independence is not just a word, it's a feeling of being oneself. Independence paved the way to freedom. Freedom is not earned, bought, or grabbed, It's just there! One must push past the illusionary boundaries set by others. Freedom and responsibility always come as a package. When an individual is ready to take up any responsibility, the freedom of living comes. Freedom means the power taken to act, think and speak in a responsible way. India's freedom made India the first country to land Chandrayaan 3, the moon vehicle on the rugged south pole of the moon. Independence leads to freedom, freedom leads to responsibility.

responsibility leads to duty, and duty leads to service.

The road that India took to get its independence shows how nations and its people change to adjust to the world and make things at home just and favourable, even if it means separating their nation in half to do it. As Indians, we take up the responsibility to make sure that we respect and know the price of Independence. Let us ensure the value passes on to our descendants.

SFS Academy celebrated the 77th Independence Day on 15 August, 2023, with great keenness and patriotic fervour. The celebration began with the Marching Band welcoming Brigadier Ravi Muniswamy, the Chief Guest and Fr. Johnson, the Principal. The Chief Guest unfurled the National Flag and the gathering paid their respect while singing the National Anthem. This was followed by the acceptance of general salute by the Chief Guest and Principal during a synchronised march past by the School Cabinet, four Houses, National Cadet Corps and the Marching Band. Students dressed in tri-colour-themed clothes took over the stage and presented a patriotic song and fusion dance. The program ended with the Chief Guest and the Principal expressing their wishes on the occasion and motivating the august gathering to serve the country and lead it to prosperity.

Until We Meet Again...

by Tr. Geethanjali B, HOD, Dept. of Social Science

Au Revoir was a special occasion where we gathered to bid farewell to our former principal, Rev. Fr. P. M. Lawrence, msfs on 1 July, 2023. This memorable day was celebrated to honour the countless memories, achievements and milestones, both big and small created by him that left an indelible mark in the history of SFS Academy.

Au Revoir was organized by the staff and grade X students of the school. The school premises were beautifully decorated but there were somewhere the waves of mixed emotions clinging to everyone. The celebration began with a prayer song presented by the school choir followed by the lighting of the lamp. The Management and Heads of the various institutions of SFS Group, Hebbagodi and the Asst. Parish Priest of SFS Church, Hebbagodi were the esteemed guests.

Staff and students expressed their thoughts about Fr. Lawrence on how he had scripted love and enduring respect in the hearts of all with their emotional speeches. A farewell speech was also delivered by our esteemed guest, Rev. Fr. Binu msfs. He emphasised how Fr. Lawrence was able to improve results in all courses by creating a stress-free learning environment for students. He further added that Fr. Lawrence has done his best to improve the quality of faculty and encouraged their development through education and research. An audio-visual presentation was presented to showcase the journey of Rev. Fr. P. M. Lawrence at SFS Academy. He was later felicitated by the guests for his tireless efforts and remarkable service rendered to our school from the year 2018 - 2023.

Rev. Fr. P. M. Lawrence in his farewell speech thanked the students and staff for their unconditional love and support bestowed on him. He also insisted the students spread the light of knowledge and inculcate a strong sense of values and ethics in them to achieve success in their lives.

The annual cultural fest at SFS Academy was a resounding success, showcasing a vibrant tapestry of talent, culture, and creativity. The event, which took place on the 23rd and 24th of August brought together students, staff and parents in a celebration of diversity and artistic expression. The fest commenced with a grand inauguration ceremony, graced by Fr. Santhosh Kumar msfs, and Fr. Mijo Kulamkuthiyil msfs who lit the traditional lamp to symbolize the onset of the cultural fest.

The heart of the fest lay in its cultural performances. Students from various grades and backgrounds took to the stage, showcasing their talents in music, dance, skits and more.

All the students were divided into four groups. They were Legendary Spartans (Red House), Ambitious Avengers (Yellow House), Invincible Samurais (Blue House) and Nifty Knights (Green House). There were preliminary rounds for all on-stage events except Fancy Dress. The prelims took place on the 18th and 19th of August. Final rounds of individual on-stage events for the selected students were conducted on 23rd and 24th August, 2023.

On the 23rd of August, events like Solo Dance, Fancy Dress, Solo Song, Elocution, Extempore, Recitation, Face Painting, T-shirt Designing, Solo Instrumental and Tell a Story took place.

On 24th of August group events like Group Song, Group Instrumental, Mime, Skit, Group Dance, Collage, Debate, Rangoli and Quiz took place.

Each event had its own venue and timings. Judges were invited from various institutions of SFS Group, Hebbagodi.

It was a neck-to-neck competition and all the houses performed excellently. Ambitious Avengers (Yellow House) were the overall winners and Legendary Spartans (Red House) were the runners-up.

CARPE DIEM showcased the talents of our students and fostered a sense of unity and appreciation for diversity. The fest would not have been possible without the support of Fr. Johnson, the Principal, the tireless efforts of our dedicated teaching and non-teaching staff and enthusiastic students.

The fest concluded with the prize distribution ceremony graced by the presence of Fr. Majish Mathew msfs and Fr. Stany Rodrigues msfs.

As the fest concluded, we left with a renewed sense of pride in our school's commitment to fostering creativity and unity in the years to come. We eagerly await the next edition of this spectacular celebration of culture and talent.

The world is my school. The more I travel the more I learn. SFS Academy Kindergarten organized a school campus tour on 28, 29, and 30 August, 2023, for the students of PREKG, LKG and UKG.

It was a fun educational tour that encouraged the students to relate with what they are surrounded by, to connect to learning in the classroom and also to take care of their campus. It was a good

opportunity for them to know more about their second home and the facilities it provides. They could also meet the students and staff and have interactions with them.

Students visited various rooms like the Staff Rooms, Storeroom, Costume Room, Library, AV Room, Music Room, Biology Lab, Sick Room, Counselling Room, Computer Lab, Robotics Room, and NCC Room located on floors 1 to 4. On the ground floor, they visited the Principal's Chamber, Administrative Office, Reception, Dance Room, Auditorium, Art Room and Sports Room.

During the tour, the students were super excited, observant and inquisitive to know about the different facilities on their campus.

When Tiranga is hosted,
it is like a rainbow in the sky.
Different people different region,
Even Anglo Indians respect our country.
It is not only the people
even the nature.
The river is beautifully blue,
the western ghats are full of mother nature,
with different plants and animal species.
The Brave History of India
will be kept in every Indian's heart.
India is our home,
India is our mother.

Aapthi H S, VI B

On the day of Independence,
we wake up in the morning,
with happiness and pride.
We take the flag of our country,
to wave it and
to tie it onto the house.
Independence Day is
the day when we got Independence
by our hard struggle,
against the British who were ruling
us for 200 years.
One of the longest rules done
by another country.

Joe Thomas, VI B

India, oh India,
You give us life.
India, oh India,
You give us hope.
You are our motherland,
We must protect you.
We give our hearts and life,
For you as a thank you.
India, oh India,
You made us shine.
India, oh India,
We won't let you down.

Areena Rose T S, VI B

Ohh, it is the Independence Day!!!
What an amazing and joyful day,
It started off in 1947,
It is going on by the 77th,
What a memorable day
for all our freedom fighters
As they sacrificed their blood
for our dear country.
We never stood hopeless,
We fought till we were breathless,
Oh, it is the Independence Day,
What an amazing and joyful day.

Shaaranya Panicer, VI A

How beautiful India is now! It was never like this before this day. Around 200 years ago, the British started trading with India's goods. Their company was East India Company (EIC). One day they came to Maharashtra for trade, without seeking permission. The Nawab became angry and fought them. The British triumphed and took over Maharashtra, then started to take over all the states. We were in great disaster until brave souls like Mohandas Karam Chand Gandhi, Jawaharlal Nehru and many others stood up for this. They made a great struggle for the Indians to get their freedom back. They have made many sacrifices. On 15 August, 1947, the British left India. The Indians were overjoyed. We should be thankful to the freedom fighters. Jai Hind!

Ryan Varghese, VI B

Bal Gangadhar Tilak was from Pune, Maharashtra. He was a freedom fighter, and his real name was Keshav Gangadhar Tilak. At a small age, he had family issues. He was very smart. After he finished his studies, he started a small newspaper business and a new English school. The British police arrested him and troubled his family. When he was small, he had to live in different places in Pune with his grandfather. After a few years, his business was banked. Then he participated in the freedom struggle.

Pratyusha Deepak Ghadge, VI B

We got Independence on 15 August 1947. Before that Britishers ruled India for 200 years. I remember a famous quote by Netaji Subash Chandra Bose: "You give me blood. I'll give you Freedom". Not only Subash Chandra Bose, but many more people like, Mohandas Karamchand Gandhi, Bhagat Singh, and Jawaharlal Nehru gave their lives for India's better future. A recent movie titled '16 August 1947' is dedicated to our Independence.

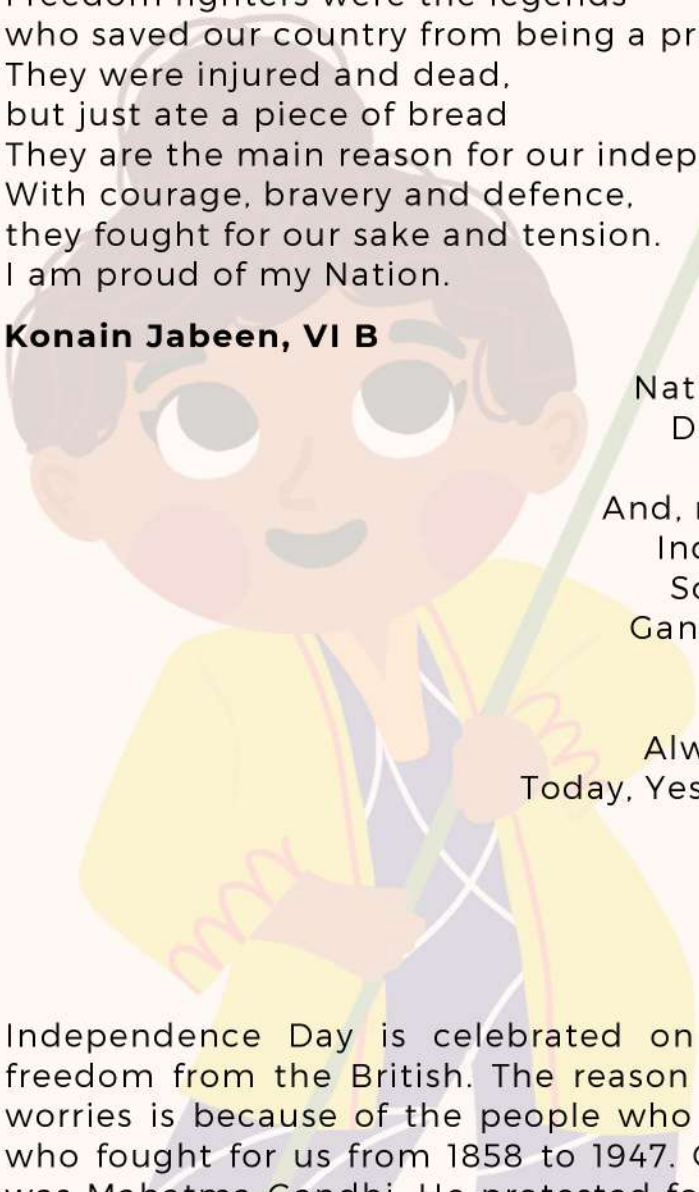

Koushal Reddy P, VI A

Once there was a boy named Luke. He was unique. He was not like other boys and he hated to watch TV (Television) and play video games on his mobile phone. His birthday! was coming up. The speciality of his birthday was it was on Independence Day. He was excited for it. Independence Day is celebrated on the 15th of August. India gained its independence in August, 1947. It was when we Indians protested against the British, they left our country. The boy loved to draw freedom fighters and other people. He sketched it very nicely. And his favourite freedom fighters were Mohandas Karamchand Gandhi and Dr. Rajendra Prasal. He has a frame of them both, right in front of his house.

Arnav C Amal, VI B

My Country is India,
 with folk dances like Almora Nritya,
 with the best tradition and culture,
 and spices with bundles.
 During Ancient times
 when Indians were prisoned with loud cries,
 freedom fighters risked their lives,
 but never lost their tries.
 Freedom fighters were the legends
 who saved our country from being a prison.
 They were injured and dead,
 but just ate a piece of bread
 They are the main reason for our independence.
 With courage, bravery and defence,
 they fought for our sake and tension.
 I am proud of my Nation.

Konain Jabeen, VI B

It all started 200 years ago
 Nation 'India' was under British rule, but
 Destiny and fate wasn't based on Luck
 Indians got up 'united' to fight
 And, now we're here living with prosperity
 Indians were brave, courageous, united
 Some, not many, not all were together
 Gandhi Ji, our father, introduced Ahimsa
 Ray of hope, he was for Indians
 East, west, north, or south
 Always India will be known in the world
 Today, Yesterday and tomorrow will be famous
 That is why I say,
 India is Great!!

Rithiga Rengarajan, VI B

Independence Day is celebrated on the 15th of August to mark our freedom from the British. The reason we are sitting comfortably with no worries is because of the people who are at the borders and the soldiers who fought for us from 1858 to 1947. One of the famous freedom fighters was Mahatma Gandhi. He protested for India in a peaceful manner, unlike others. Not only Mahatma Gandhi, but other people like Bhagat Singh, Subhas Chandra Bose, Chandrashekar Azad, etc. also fought for the country. And the thing that amazes me is that during the freedom struggle, all the people who fought for India were from different religions and regions. We should feel proud to be an Indian and be in this country of diversity. While celebrating Independence Day it is important to remember about our soldiers, freedom fighters and all other people who were in the act. It is also important to be a good citizen. JAI HIND !!!

वीरों की रणभूमि-भारत

“दुश्मनों की गोलियों का हम सामना करेंगे, आज़ाद हैं आज़ाद ही रहेंगे” -चंद्रशेखर आज़ाद हम भारतवासियों के लिए स्वतंत्रता दिवस एक बहुत ही महत्वपूर्ण दिन है। यह दिवस हम सब के अन्दर एक अलग ही जोश और उमंग भर देता है।

यहाँ हमारे विद्यालय में भी हमने इस दिन को बड़ी धूम-धाम और उल्लास से मनाया। कक्षा ५ के विद्यार्थियों ने अलग-अलग देश भक्ति के गीत गा कर हममें भी जोश जगा दिया। सुन्दर नृत्य द्वारा उन्होंने सबका मन मोह लिया था।

उसके बाद समारोह के मुख्य अथिति-ब्रिगेडियर जी ने नैतिक मूल्यों द्वारा हमें प्रेरणा दी।

यह दिन हम सब के लिए अलग मायने रखता है। सच कहूँ तो इस देश में कभी वीरों की कमी हुई ही नहीं। मुझे अपने भारत और अपने भारतीय होने पर गर्व है।

शांभवी सिंह, VI-D

मेरा देश महान

15 अगस्त 1947 को हमारे देश को अंग्रेजी हुकूमत से आज़ादी मिली इसलिए यह दिन स्वतंत्रता दिवस के रूप में मनाया जाता है। यह दिवस मुख्य रूप से लाल किले पर प्रधान मंत्री के द्वारा राष्ट्रीय ध्वज फहरा कर किया जाता है। यह दिन हमें उन वीरों की याद दिलाता है जिन्होंने हमारे देश को आज़ाद करने के लिए अपने प्राणों तक की बलिदानी दे दी। इस राष्ट्रीय पर्व को देश के कोने-कोने में बड़ी ही श्रद्धा-भाव से मनाया जाता है। इस अवसर पर राष्ट्रीय गान और राष्ट्रीय गीत गाए जाते हैं।

स्वेतिका, VI-E

स्वतंत्र भारत

हर साल 15 अगस्त को भारत स्वतंत्रता दिवस के रूप में मनाता है। वर्ष 1947 में भारत को पूर्ण रूप से ब्रिटिश सरकार द्वारा आजादी मिली।

हमारे विद्यालय में हर वर्ष यह त्योहार की तरह ही मनाया जाता है। झंडा फहरा कर हमने राष्ट्र गीत गाए। कक्षा 5 के बच्चों द्वारा आयोजित यह कार्यक्रम अविस्मरणीय था।

यह दिवस एक महत्वपूर्ण दिवस के रूप में अंकित है। अगर हम कहें कि भारत भी हर साल हमारी तरह जन्मदिवस मनाता है तो यह गलत नहीं होगा।
